REMARKS

In the Office Action, claims 1-9 are rejected under 35 U.S.C. §112 as being indefinite, claims 1-3 and 5 are rejected under 35 U.S.C. §103(a) as being unpatentable over Laksono, claim 4 is rejected under 35 U.S.C. §103(a) as being unpatentable over Laksono in view of Bauchspics., and claim 7 is rejected under 35 U.S.C. §103(a) as being unpatentable over Laksono in view of Sid. Claims 6, 8 and 9 are objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims and to overcome the rejections under 35 U.S.C. §112.

Claim 1 is now amended to include all the limitations of claim 8 and to correct indefiniteness. The amended claim 1 is allowable. The indefiniteness in claims 2-5, 7 and 9 are corrected. Claim 9 is also amended as a dependent claim of claim 1. By virtue of dependency to claim 1, the amended claims 2-5, 7 and 9 should also be allowable.

New claim 10 is presented as a combination of the original claims 1 and 6. The allowability of claim 6 should render claim 10 allowable.

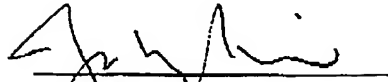

Claims 6 and 8 are cancelled.

The above amendment has been made without prejudice. Claims 1-5, 7 and 9-10 are now in full condition for allowance. The specification has been amended to correct a few editorial and grammatical errors. Applicants respectfully request that a timely Notice of Allowance be issued for this application.
